Thank you Knights for helping the "least among us" - you are terrific. Gregorio keeps you in his prayers

Dear Friends,

Thank you very much for continuing to be a "Padrino" (Godparent) and for your recent donation of \$300.00 (check number 1267). Every penny will go to your child, Gregorio Gomez. We encourage you to write to your child and to send pictures of your family so that your Godchild becomes familiar with all of you.

In addition to the children who live and attend school at Amigos de Jesús, our Padrino Program now supports over 350 children from other shelters and impoverished families in Honduras. We also recently expanded our program to support a boys' home in Guyana, South America.

There are no words that can adequately express our gratitude – the gratitude of the children, the staff, the volunteers, and my own. The children hold hands in a circle of prayer each night and offer special intentions for their benefactors. They know that Amigos de Jesús exists because of the generosity of people like you. Thank you for your support, Friends, and know that your prayer request will be remembered in the daily prayers of the children.

For tax purposes it is necessary to state that you received no benefits or services from your contribution. You may use this letter as proof of your contribution. We are a registered 501(c)(3) charitable organization. For more information, please contact our office.

Primero Dios,

Fr. Dennis JW O'Donnell
President, Amigos de Jesus, Inc.
