Dear Friends,

Thank you very much for continuing to be a "Padrino" (Godparent) and for your recent donation of \$300.00 (check number 1064). Every penny will go to your child, Victor Manuel Rivas. We encourage you to write to your child and to send pictures of your family so that your Godchild becomes familiar with all of you.

I just returned from Honduras after spending a week with the children and looking over the new school and a spot on the property for the new Girls' Residence. After four years of construction we have a residence/dining hall for the children, an administration building where the children learn carpentry, welding and computer skills, and we have finished the chapel and volunteer center and opened the new school. None of this would be a reality without the generosity of people like you.

There are no words that can adequately express the gratitude of the children and all who are involved in caring for them. The only words we have are Thank You and please know that many young hearts are saying those two words to you, and those same hearts pray for you each evening in an orphanage called Amigos de Jesus. Thank you for your support, Friends, and know that you are remembered in the daily prayers of the children of Amigos de Jesus.

For tax purposes it is necessary to state that you received no benefits or services from your contribution. You may use this letter as proof of your contribution. We are a registered 501(c)(3) charitable organization. For more information, please contact our office.

*You guys are great -  
Muchas gracias - when  
in your next gift pointing  
You are in Victor's prayer*

Primero Dios,
