Dear Mr. Cassidy:

I would like to extend our sincere appreciation from the Adoremus Te Committee and the Malvern Retreat House Community for your generous donation of \$500 to this year's outreach to the youth throughout our region. We hope that this event will be a faith filled event for hundreds of teenagers and their families. These holy grounds will be transformed on August 3rd by the faithful and our guest celebrant His Eminence Cardinal Justin Rigali.

If you or any members of your Council would like to attend the event as our guest, please let me know. I will alert the registration Desk to welcome you at your arrival. Please extend my thanks to your Council and assure them of our prayers as we prepare for this day of Honor to Our Lord and Savior Jesus Christ. The celebration of the Eucharist and the public adoration will be the focus of the day.

Best wishes and continued success. May Saint Joseph, our patron, bless you and all of the members and families of your Council.

Prosit!
