Dear Friend of Life,

Thank you so much for your very generous gift to the Chester County Pro-Life Coalition. You can be assured your donation is most helpful in our efforts toward educating those who are in a crisis pregnancy and defending life against those who promote a culture of death. One aspect that is especially helpful is keeping us stocked with various Pro-life materials, many of which are handed out every week by our sidewalk counselors at the local abortion clinic.

You are truly a blessing to our Pro-Life organization. Thank you most for your gracious generosity!

May you have a Holy Christmas and Blessed New Year.

With Christ for Life,

Joan M. Carbo
