Dear Friend of Scouting:

On behalf of our 15,000 Scouts, leaders, and the Executive Board of the Chester County Council, Boy Scouts of America, I thank you for your generous gift of \$100, received on 4/7/2009, to our 2009 Friends of Scouting campaign.

You probably know that 20% of our funding comes from gifts given by concerned people like you. Without your generosity, we simply could not meet our mission: to prepare young people to make ethical choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

For the last 99 years we have been helping youth in Chester County become leaders. We have been able to do this because of people like you who see that Scouting is the key to creating healthy adults. At a time when we are nearly overwhelmed with requests for our programs, your gift is making a difference.

In accordance with current IRS regulations, the Chester County Council, Boy Scouts of America did not provide any goods or services in return for your donation. Please retain this letter for tax purposes.

Scouting for a *better* future,

Russell H Neubauer
Council President
